

Class 6's Fantastic Library Visit

The children loved exploring the shelves, discovering new books and sharing their favourite stories. They were excited to choose books to read and thoroughly enjoyed their special trip. A wonderful morning full of books, stories and lots of smiles!

Silver for our Superstars

The school football team were in action again this week at the small school's district football tournament, with a lot of confidence going into it.

The team began with three wins from their first three games, before a hefty defeat, leaving them in joint first place as they approached the second round of matches. Following on from the first round of matches, the team won the next three games again with

some very convincing score lines including a huge 4-0 win. However, the biggest test was saved for last. With St Teresa's and Chapel Hill tied on 18 points each, it was a battle for first place with the winner taking the trophy and gold medals.

Chapel Hill took an early lead and were just 2 minutes away from victory, before an outstanding solo goal from the St Teresa's forward snatched them a draw, leaving both teams on 19 points. With the points tied, it came down to goal difference. Unfortunately for Chapel Hill, St Teresa's had a superior goal difference and therefore won the competition. The teams showed their appreciation for each other and shook hands after an excellent competition for first place.

Despite finishing second, the team were delighted with their efforts and are confident going into their football league fixtures over the next few months. Keep up the great work boys!

Phonics Fun

In English, the children practised identifying and using the ow and o-e sounds. They carefully sorted a variety of words into the correct sound columns, discussing each word and explaining their reasoning. The activity helped to develop the children's phonics knowledge and spelling skills, while encouraging them to listen carefully for different sounds within words.

Chapel Hill's Sports Leaders

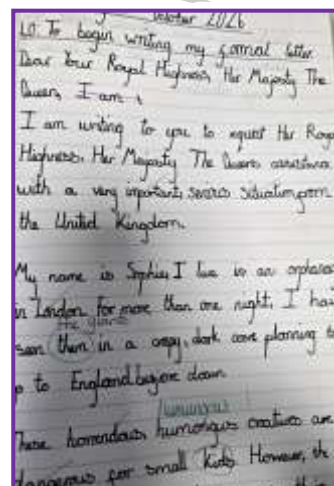

With our beautiful new sports hall being used every hour of the day, it is vital we look after our fantastic sports facilities and the equipment used in lessons & clubs. Therefore, the sports coaching team have selected an excellent group of athletes to support with the maintenance and tidiness of our equipment & facilities.

The team are already doing an outstanding job of tidying the PE cupboard, playground equipment and keeping the hall looking fabulous. Keep up the great work team!

Chapel Hill's Handwriting

Handwriting is a key skill for your child's learning to develop and grow in all areas of the curriculum. At Chapel Hill, we encourage this through handwriting practice, following the Nelson Handwriting style and through our wonderful Chapel Hill Pen License Award - where the children move from using a pencil to writing in pen. In order for your child to achieve their Chapel Hill Pen License, handwriting needs to be of a regular, appropriate size and shape, sitting on the line, have clear ascenders and descenders and neatly joined. The children love the sense of achievement when they receive their Chapel Hill Pen License but, just like a driving license, it can be taken away if they do not maintain their neat Nelson Handwriting style. Please take the time to practice handwriting with your child so that they too, can receive their Chapel Hill Pen License Award.

Star of the Week

Class 1
Stanley Lucas & Isla Simpson

Class 2
Esfir Reza & Harrison Watmough

Class 3
Emem Udofia & Kylie Hayden

Class 4
Tawny Birkamshaw & Kodie Heard

Class 5
Oscar Mercer & Sandrine Kenny

Class 6
Violet Ivy & Tyler Ford

Class 7
Sophia Davidescu

Class 8
Judrid Christoben

Class 9
Richard Shine

Class 10
Eddie Foster

Class 11
Mille Tucker

Class 12
Alvina Simon

Class 14
Jenson Young-Knight & Leen Elamin
